

CSC2018 Group Project: Demonstration Times 2015

Take your place in your allotted bay at least 10 (and up to 15) minutes before the demonstration time shown below. Be ready to demonstrate promptly at the demonstration time. Your demonstration will last around 10 minutes. Write your group code in large characters on an A4 sheet of paper and place it on your desk so that your group can be easily identified. At least two but preferably all members of your group should be present. Leave your bay promptly (within 5 minutes) once your demonstration is completed.
